1A Isaac G. AGUIGUI, want to make the following statement under oath:

I met Private [REDACTED] in the month of January at my unit. At the time we were just acquaintances, occasionally smoking a cigarette in the parking lot. Our relationship went deeper when I overheard a conversation between SPC [REDACTED] and PVT [REDACTED] about a "throwaway" that [REDACTED] would buy from [REDACTED]. After they agreed on a price I approached [REDACTED] vehicle where the conversation had taken place. I asked him if he could make a similar purchase for me and he said it would take some time as he had to go to Florida to purchase the weapon. From that day on [REDACTED] and I had discussions about drugs, weapons, and crimes that he had either used or committed. At this point we considered each other friends. [REDACTED] invited me up to his house over a weekend in February to smoke some "spice" at his house. While we were at his house his wife smoked weed and we talked about possibly going in together on an armed robbery on a strip club in savannah. After that weekend I met SPC [REDACTED] who I soon found out was a dealer in Hinesville. Every few weeks I would go to his house and witness a few deals happen with various individuals. He would sell cocaine, ecstasy, weed, PCP, and a special blend of Spice he said he got from someone on Fort Stewart. [REDACTED] and I were more of acquaintances. At his house there was always a stocky black male that [REDACTED] always referred to as "his brother" but I never really learned his name. Every once in a while on a weekend [REDACTED] would have a poker game at his house where [REDACTED] and I were always present, there was usually weed and or spice smoked there. Towards the end of February my wife and I got into a fight and I moved in with [REDACTED]. It was at this time [REDACTED] revealed that he was a dealer in the Rincon area. From time to time he would sell a few pounds of weed that he told me he was getting from someone in Texas for a low price. He told me that he and [REDACTED] would do deals with each other occasionally. Very rarely [REDACTED] would sell weed to another dealer from Hinesville. The dealer was a white male who drove a light colored pickup truck and he always had a younger white male with him. These deals would take place outside [REDACTED] neighbor [REDACTED] house. In March [REDACTED] and [REDACTED] were at a party at his house where he brought up the idea of doing a hit job on someone. [REDACTED] didn't have anyone in mind at the time but he said he wanted to kill a drug dealer as they would have not only large sums of money but drugs as well. It was a few weeks later that we approached [REDACTED] with the idea and he told us he had a dealer he knew in Hinesville that he wanted to get rid of. He told [REDACTED] and me that if we did the hit, he would keep any drugs we found, and we would keep whatever money was in the house as well as an unspecified amount of cash from [REDACTED]. We discussed the idea with [REDACTED] wife, [REDACTED] and she agreed to it. In April I purchased a 12 gauge shotgun for the job and [REDACTED] asked [REDACTED] to purchase a "Tech 9" machine pistol for the job. [REDACTED] told us that he would purchase the weapon in Florida where he also gets his drugs from. It was at this point [REDACTED] began taking me on drug deals with him. The deals would always take place at a McDonald's parking lot in the evening. [REDACTED] began making deals with the dealer we were going to make the hit on but I never directly saw the dealers face, and he was always in a different vehicle. It was usually a silver Impala or a discolored Geo Metro. In mid April [REDACTED] and myself agreed that the hit would take place soon and that [REDACTED]

would tail the dealer's vehicle back to his residence and case the house. The plan was to enter the house at night, kill all individuals in the house, grab any drugs, cash, and valuables and lay low at [REDACTED] house until [REDACTED] contacted us. I would enter the house first and kill anyone in the immediate area while [REDACTED] would move in to sweep the rooms with me, killing anyone else inside. I decided I no longer wanted to participate in the hit job but I was afraid if I backed out, [REDACTED] would do something to me so I confessed to my unit about the drug use and sales that were taking place. After this I moved back in with my wife and [REDACTED] and [REDACTED] broke any contact with me until recently when [REDACTED] invited me up to his house to reconcile the situation between us. Since then I have had very little contact with [REDACTED] and any time I approach him he denies any knowledge of the drugs or the arrangement with [REDACTED] and me.
